Facebook; it's a good place to catch up on news and to see the latest pictures of the building project as well as some fun pictures from other events that didn't make it to our web site.

Planning Ahead ... We'll be having a grand party in July to bid our rector farewell. While the move Trula and Karen are making has certainly not gone smoothly, they are continuing to work toward their goal of a new location near Tunkhannock so that both of them can have a reasonable commute. Want to help plan the party? Talk to a member of the vestry. Trula's last Sunday with us will be July 31.

Building Project Update:

All the old mortar has been removed from the tower and the new mortar type and color has been approved. The repointing will begin the first full week of June. Also that week the top "floor" of the tower will undergo asbestos removal and abatement and will be replaced.

You have received a letter in the mail from the vestry detailing more of the plans for the renovation and asking you to prayerfully consider how you can support this project by increasing your regular pledge or making a building pledge or one-time gift. If you have not yet responded to the letter, please take some time to re-read it and think and pray about what you and your family might do to ensure the future of our building.

Our thanks to our new Senior Warden **Dan Gerhart** for overseeing this project. **Charles Kohnken** has graciously agreed to serve as our new Junior Warden.
